

This is just a friendly reminder to our new patients regarding information you will need to bring with you to your appointment:

- **Please fill in the patient information forms** that were mailed to you and bring them to your appointment.
- Please **bring insurance cards** - copay will be collected at the time of your visit. We accept credit cards (Visa, Mastercard, American Express and Discover) cash or check.
- **If you do not have a copy of your insurance card** at the time of your appointment, or if you do not have any insurance, **you will need to pay for the visit in full.**
- Please **bring a photo identification card**; we will need to obtain a copy of that as well.
- Please **bring x-rays and/or MRI films with the reports** with you. If you do not have x-rays or MRI films please arrive early for the appointment so that we may see if we can send you to have x-rays done. **If there are no films available at the time of the appointment we will need to reschedule it as the doctor cannot see patients without them.**
- **Please be advised any patient that is late by 15 minutes or more will be rescheduled to the next available appointment or worked in at the end of that business day.**

We look forward to seeing you. Thank you.
